Additional information

Cooperation in ICM 2018 with Sétif 2 university, ALGERIA

Mohamed Lamine Debaghine, Sétif 2 University is a public higher education institution situated in Sétif, the Capital of the High Planes in the Eastern part of Algeria. Sétif 2 is mainly specialized in social and human sciences. it contains 3 main faculties.

1. The faculty of law and political sciences:

- Department of Law
- department of Political Sciences
- Department of Administration studies

2. The faculty of Letters and Languages

- department of English Language and Literature
- department of French language and literature
- department of arabic language and literature

3. The faculty of social and human sciences

- Department of sociology
- department of psychology
- department of journalism and communication sciences

- department of orthophony
- department of history
- department of archeology
- department of philosophy

4. Department of Studies and Sports' activities

The university offers studies and training in languages at the Intensive foreign languages center:

- Arabic language for non-native speakers
- French
- English
- Spanish
- Italian
- German
- Turkish

We also have 12 research laboratories in the different universities.

- As far as the international relations are concerned, we have the ECTS system.
- We are engaged and we have experience in the ICM (Key action 1 of Erasmus +)
- We have been partners acting as co-coordinators in past Tempus projects.
- We are at present partners in CBHE projects
- We have applied for a CBHE last year and we are also applying for projects this year as well
- we are partners with a number of universities and have experience with international cooperation

Through the cooperation with your institution, we can share different common fields of interest and we are very open to also join consortia that you are planning to have in potential futur projects.

Please feel free to write if ever you need any further information.
