

EXPRESSION OF COLLABORATION INTEREST

Dear Madam or Sir,

International partnerships between Institutions of Higher Education can help promote international qualification, mobility and dialogue, and thereby improve the quality of research, teaching and scientific work. Therefore, we appreciate very much for your willingness and support to promoting collaboration with international partners worldwide.

We kindly ask you to review the interest and portfolio of Thai Nguyen University of Agriculture and Forestry, Vietnam and to consult us on international collaboration development.

Basic Data (update to 30 January 2018)

Institution	Thai Nguyen University of Agriculture and Forestry (TUAF), Vietnam
Rector	Prof. Tran Van Dien
Postal Address	Quyet Thang Commune, Thai Nguyen City, Vietnam
International Office contact details	Prof. Nguyen The Hung, Vice Rector for Research and International Affair Email: nguyenthehung@tuaf.edu.vn Phone: +84 912 415152 Dr. Nguyen Huu Tho, Director, Office of Research and International Affairs Email: nguyenhuutho@tuaf.edu.vn Phone: +84 912 530872
Faculties	Agronomy, Animal Husbandry and Veterinary Medicine, Forestry, Resource Management, Environment, Economics and Rural Development, Biotechnology and Food Technology International School
Degree programmes	Undergraduate Programs 1. Crop Science, 2. Horticulture, 3. Animal Husbandry and Veterinary Medicine, 4. Veterinary Medicine, 5. Veterinary Pharmacy, 6. Agriculture Economics, 7. Agriculture Extension, 8. Rural Development, 9. Forest Resource Management, 10. Ecology & biodiversity conservation, 11. Land Management, 12. Land Management and Environment, 13. Agricultural & Forestry Resource Management, 14. Environmental Science, 15. Environmental & Natural Resource Economics, 16. Agro-forestry, 17. Medicinal Plants, 18. Aquaculture 19. Silviculture, 20. Biotechnology, 21. Food Technology, 22. Nutrients and Functional Foods, 23. Processing & preservation of Agricultural Products, 24. Environmental Sci. & Management (In English), 25. Food Technology (In English) Master Programs 1) Crop Sciences, 1) Animal Sciences, 3) Veterinary, 4) Silviculture, 5) Land Management, 6) Rural Development, 7) Agricultural Economics, 8) Environmental Science, 9) Food processing PhD Programs 1) Animal Sciences, 2) Crop Sciences, 3) Land Management, 4) Silviculture, 5) Veterinary Parasitology, 6) Nutrients and Feed, 7) Environmental Science, 8) Rural development
Student numbers in each cycle (BA, MA, Ph.D., other)	BA: 13000 MA: 1036 Ph.D.: 72

Research institutes and centers	<p>Institute for Life Science Institute of Forest Research and Development Geo-informatics Research Center Agriculture and Forestry Research & Development Center for Mountainous Region (ADC) Fishery Research and Development Center Plant and Animal Breeding Research Center Environment and Resource Research Center Temperate Crop Research Center Technology Incubation and Start-up Support Center</p>
5 Typical international project and program experiences	<p>Partner of North-West University Capacity Building Program (AUST4SKILL), an Australian Government Support Program Community based Forest Management (In collaboration with CSIRO – Australia) Nitrogen rate prescription for corn using Digital Image Analysis (In collaboration with UC Davis, USA). Application of Biotechnology in soybean breeding for insect resistance (In collaboration with Dong-a University, Korea) International BSc Programs in Environmental Science and Management and in Food Technology</p>
Experiences with Erasmus+ program	<p>Partner in consortium of Tuning environmental competences in Asian fishery education for sustainable development (TUNASIA) Partner in consortium of European-Vietnamese Higher Education Network for Sustainable Forest- and Bio-Economy (BioEcoN)</p>
Interest in collaboration	<p>Long-term collaboration under memorandum of understanding for student and staff exchange, joint degree program and joint research program Joint development of project and program under Erasmus+ and other funding agencies (Capacity building in the field of higher education, Student and staff mobility, Research and development project etc. in fields listed above and related fields.</p>
