We would like to introduce our institution; the University Centre Ahmed SALHi, located in the Algerian district Naama.

Our University Centre is an emerging higher education institution that was founded in 2009 (<http://www.cuniv-naama.dz>). It provides a high quality education to more than 4.000 students within B.Sc., Msc and PHD levels, taught and supervised by more than 200 teachers. It is structured in five faculties.

The faculties are:

1. Faculty of Technology
2. Faculty of Natural Sciences
3. Faculty of Law
4. Faculty of Foreign Languages
5. Faculty of Arabic Literature

Regarding the international cooperation, we have conducted many theoretical and experimental studies of some interesting organic and inorganic materials for use in the field of photovoltaic.

We are interested in working with your institution in Materials Sciences and Chemistry fields in the framework of Erasmus+ international cooperation field (higher education sector) and establish an inter-institutional agreement in Erasmus+ KA1 107: International students and staff credit mobility.

Attached to this email you will find our partner search form. Should you be interested in this cooperation or have any questions in this regard, please contact us.
