Option 2: One pre-financing payment in two instalments, with or without a progress report.

[Optional for Key Action 2 (maximum 2 years duration)].

The NA must pay the first pre-financing to the coordinator in two instalments as follows:

- Within 30 calendar days following the entry into force of the Agreement [or, if applicable: following the receipt of a financial guarantee of EUR [...]³] a first payment of EUR [...] corresponding to [NA to set a percentage between 40 and 60%] of the maximum grant amount specified in Article I.3.1, except if Article II.24 applies.
- By [NA to insert date] a second payment of EUR [...] corresponding to [NA to set a percentage between 40 and 20%, which if added up with the percentage set for the first payment should reach 80% of the amount in Article I.3.1] of the maximum grant amount specified in Article I.3.1, except if Article II.24 applies.

Option 3: Two pre-financing payments.

[Obligatory for Key Action 2 projects of more than two years]

The NA must make a first pre-financing payment to the coordinator within 30 calendar days following the entry into force of the Agreement [or, if applicable: from when the NA receives the financial guarantee of EUR [...]⁴] corresponding to [40%] of the maximum grant amount specified in Article I.3.1, except if Article II.24 applies.

The NA must make a second pre-financing payment to the beneficiaries within 60 calendar days from when the NA receives the request for second pre-financing payment referred to in Article I.4.3 [or if applicable from when it receives the financial guarantee of EUR [insert amount]], except if Article II.24 applies.

[NA to choose between the following five options:

⁴ [the amount equal to the pre-financing to be paid].

Option 1: Two pre-financing payments with one or two interim reports.

Applicable for option 3 in I.4.2

By [NA to insert date]⁵, the coordinator must complete an interim report on the implementation of the Project covering the reporting period from the beginning of the implementation of the Project specified in Article I.2.2 to [date to be specified by NA].

In so far as the interim report demonstrates that the coordinator has used at least 70% of the amount of first pre-financing payment, the interim report must be considered as a request for a further pre-financing payment and must specify the amount requested up to EUR [...] corresponding to [40 or 20]% of the total maximum amount specified in Article I.3.1.

Where the interim report shows that less than 70% of the previous pre-financing payment(s) paid has been used to cover costs of the Project, [NA to select and complete as appropriate: *either* [the amount of the new pre-financing to be paid must be reduced by the difference between the 70% threshold and the amount used. The coordinator must submit a further interim report including a request for payment for the remaining part of the pre-financing amounting to a total of maximum [80%] of the maximum grant amount specified in Article I.3.1 [by [date to be specified by NA]]/[once at least 70 % of the amount of first pre-financing payment has been used.]

Or [the coordinator must submit a further interim report [NA to select one of the two following options: [by [date to be specified by NA]]/[once at least 70 % of the amount of first pre-financing payment has been used], which must be considered as a request for a further pre-financing payment and must specify the amount requested up to EUR [...] corresponding to [40-20]% of the maximum amount specified in Article I.3.1.].

Where the [NA to specify: first/second] interim report shows that the beneficiaries will not be able to use the maximum grant amount as specified in Article I.3.1 within the contractual period defined in Article I.2.2, the NA will issue an amendment reducing the maximum grant amount accordingly and, in case the reduced maximum grant amount is less than the amount of pre-financing transferred to the coordinator until that date, recover the excess amount of pre-financing from the coordinator in accordance with Article II.26.

Option 2: Two pre-financing payments with a progress and one or two interim reports.

If Article I.4.2 option 3 is selected.

⁵ [the coordinator has to be given reasonable period of time in order to complete the interim report after the reporting period ends]

By [NA to insert date] or once at least 70% of the first pre-financing payment has been used to cover costs of the Project, the coordinator must complete an interim report on the implementation of the Project, covering the reporting period from [NA to insert date of the interim report] to [date to be specified by NA].

In so far as the interim report demonstrates that the coordinator has used at least 70% of the amount of first pre-financing payment, the interim report must be considered as a request for a further pre-financing payment and must specify the amount requested up to EUR [...] corresponding to [40%] of the total maximum amount specified in Article I.3.1.

Where the interim report shows that less than 70% of the first pre-financing payment paid has been used to cover costs of the Project, [NA to select and complete as appropriate: *either* [the amount of the new pre-financing to be paid must be reduced by the difference between the 70% threshold and the amount used. The coordinator must submit a further interim report including a request for payment for the remaining part of the pre-financing amounting to a total of maximum [80%] of the maximum grant amount specified in Article I.3.1 [by [date to be specified by NA]]/[once at least 70 % of the amount of first pre-financing payment has been used.]

Or [the coordinator must submit a further interim report [NA to select one of the two following options: [by [date to be specified by NA]]/[once at least 70 % of the amount of first pre-financing payment has been used], which must be considered as a request for a further pre-financing payment and must specify the amount requested up to EUR [...] corresponding to [40%] of the maximum amount specified in Article I.3.1].

Without prejudice to Articles II.24.1 and II.24.2 and following approval of the report by the NA, the NA must pay to the coordinator the further pre-financing payment within [[60] /or earlier if required by the rules applicable to the NA: [...]] calendar days on receipt of the interim report.

By [NA to insert date], the coordinator must complete a progress report on the implementation of the Project, covering the reporting period from the beginning of the implementation of the Project specified in Article I.2.2 to [date to be specified by NA].

Option 4: No further pre-financing payment, no interim and no progress report.

⁶ [the coordinator has to be given reasonable period of time in order to complete the progress report after the reporting period ends]

Not applicable.

Option 5: Precautionary measures

If Article I.4.2 option 4 is selected

By [NA to insert date], the coordinator must [NA to complete as necessary].

I.4.4 Final report and request for payment of the balance

Within [60] [or shorter period to be specified by the NA] calendar days after the end date of the Project specified in Article I.2.2, the coordinator must complete a final report on the implementation of the Project, and, when applicable, upload all project results in the Erasmus+ Project Results Platform as specified in article I.11.2. The report must contain the information needed to justify the contribution requested on the basis of unit contributions where the grant takes the form of the reimbursement of unit contribution, lump sum or the eligible costs actually incurred in accordance with Annex III.

The final report is considered as the coordinator's request for payment of the balance of the grant.

The coordinator must certify that the information provided in the request for payment of the balance is full, reliable and true. It must also certify that the costs incurred can be considered eligible in accordance with the Agreement and that the request for payment is substantiated by adequate supporting documents that can be produced in the context of the checks or audits described in Article II.27.

I.4.5 Payment of the balance

The payment of the balance reimburses or covers the remaining part of the eligible costs incurred by the beneficiaries for the implementation of the project.

The NA determines the amount due as the balance by deducting the total amount of pre-financing and interim payments (if any) already made from the final amount of the grant determined in accordance with Article II.25.

If the total amount of earlier payments is greater than the final amount of the grant determined in accordance with Article II.25, the payment of the balance takes the form of a recovery as provided for by Article II.26.

If the total amount of earlier payments is lower than the final amount of the grant determined in accordance with Article II.25, the NA must pay the balance within [60] [or earlier if required by the rules applicable to the NA: [...]] calendar days from when it receives the documents referred to in Article I.4.4, except if Article II.24.1 or II.24.2 apply.

Payment is subject to the approval of the request for payment of the balance and of the accompanying documents. Their approval does not imply recognition of the compliance, authenticity, completeness or correctness of their content.

The amount to be paid may, however, be offset, without the coordinator's consent, against any other amount owed by the coordinator to the NA, up to the maximum contribution indicated for that coordinator, in the estimated budget in Annex II.

1.4.6 Notification of amounts due

The NA must send a *formal notification* to the coordinator:

- (a) informing it of the amount due; and
- (b) specifying whether the notification concerns a further pre-financing payment or the payment of the balance.

For the payment of the balance, the NA must also specify the final amount of the grant determined in accordance with Article II.25.

1.4.7 Payments from the NA to the coordinator and interest on late payment

The NA must make payments to the coordinator.

If the NA does not pay within the time limits for payment, the beneficiary is entitled to late-payment interest at the rate applied by the European Central Bank for its main refinancing operations in euros ('the reference rate'), plus three and a half points. The reference rate is the rate in force on the first day of the month in which the time limit for payment expires, as published in the C series of the *Official Journal of the European Union*.

Late-payment interest is not due if the beneficiary is a Member State of the Union (including regional and local government authorities and other public bodies acting in the name of and on behalf of the Member State for the purpose of the Agreement).

If the NA suspends the time limit for payment as provided for in Article II.24.2 or if it suspends an actual payment as provided for in Article II.24.1, these actions cannot be considered as cases of late payment.

Late-payment interest covers the period running from the day following the due date for payment, up to and including the date of actual payment as established in Article I.4.12. The NA does not consider payable interest when determining the final amount of grant within the meaning of Article II.25.

As an exception to the first subparagraph, if the calculated interest is lower than or equal to EUR 200, it must be paid to the beneficiary only if the beneficiary requests it within two months of receiving late payment.

1.4.8 Payments from the coordinator to the other beneficiaries

The coordinator must make all payments to the other beneficiaries by bank transfer and keep appropriate evidence of the amounts transferred to each beneficiary for any checks and audits as referred to in Article II.27.

1.4.9 Currency for payments

The NA must make payments in euros.

1.4.10 Currency for requests for payments and conversion into euro

Request for payment must be drafted in euros.

The beneficiary with general accounts in a currency other than the euro must convert costs incurred in another currency into euros at the average of the daily exchange rates published in the C series of the Official Journal of the European Union, determined over the corresponding reporting period (available at <http://www.ecb.europa.eu/stats/exchange/eurofxref/html/index.en.html>).

If no daily euro exchange rate is published in the Official Journal of the European Union for the currency in question, conversion must be made at the average of the monthly accounting rates established by the Commission and published on its website (http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm), determined over the corresponding reporting period.

The beneficiary with general accounts in euros must convert costs incurred in another currency into euros in accordance with their usual accounting practices.

[If the NA prefers to apply an alternative conversion rate to that specified above or the national law establishes different obligations:

Any conversion into euro of costs incurred in other currencies must be made by the beneficiary at [the monthly exchange rate established by the Commission and published on its website]⁷[the daily exchange rates published in the C series of the Official Journal of the European Union]⁸ applicable on the day when the [request for payment is submitted]/ [cost was incurred]/ [bank account of the beneficiary is credited]/[agreement is signed by the last of the two parties]].

[If NA chooses the above option "[bank account of the beneficiary is credited]" and more than one pre-financing payments is foreseen: If Article I.4.3 provides for a second or more pre-financing payments, the conversion rate must apply for all costs incurred in the period from the date of transfer of the related pre-financing payment until the date of transfer of the next pre-financing payment.]
