

**India's Largest International Higher Education Summit & Student Fair**  
**on 2-4 May 2019 in New Delhi**

UniAgents is a technology company and is the world's largest technology platform for International Student Mobility. We are organising **the India's Largest International Higher Education Summit & Student Fair on 2-4 May 2019 in New Delhi**, which is supported by several International Government organisations and Embassies. We would like to invite delegates from FRSE / Study in Poland along with other HE Institutions/Universities from Poland who are interested to meet HE Institutions/Universities, International High Schools & Certified Consultants from 70+ countries for academic collaborations, recruitment partnerships and establishing student/faculty exchange programs. Also **the Student Fair is the Largest Student Fair in India** with a footfall of 5000+ pre-registered students and meet the relevant students who are interested to study in Poland and in your course.

We would appreciate if you can have a look at the details of the summit and circulate this event information to all Universities and HE Institutions in Poland. **We work closely with relevant Education government organisations/Study In's in order to promote the destination for Higher Education.**

Please have a look at:
